The meeting will be held on

Gelber Conference Centre
5151 Cote Ste-Catherine/1 Carré Cummings

“In June of 2013, Hazel Sandow Boon began her journey from Hamilton, ultimately arriving in Liviv, Ukraine to join two of her cousins to visit the shtetl which was called Zurów, Galicia when their HABER grandparents and great grandparents lived there. Most of their family had immigrated to New York City between 1890 and 1920.

What these cousins experienced was beyond their hopes and dreams. Hazel will talk about the planning process for this sort of trip and will guide you through the many pictures she took so that you can take this journey to Zurów and Jewish Lviv with her.”

Everyone is welcome!
