is pleased to announce as our guest speaker:

Yefim Kogan

Yefim Kogan, JewishGen Bessarabia SIG Leader and Coordinator

Bessarabia/Moldova had a population of about 230,000 Jews at the beginning of the 20th century - its capital Kishinev was 50% Jewish. Jews had settled in towns, villages, *shtetlakh*-small towns, agricultural colonies and farms in the 19th century. There is a large collection of Vital Records (birth, marriage, death) available, as well as Revision Lists (family records) from the region. Every year more records and information are added. Our speaker will explore the history of Jewish Bessarabia/Moldova, as well as the genealogical information available in various places.
